

Title: How to Perform a Standard OB Ultrasound Examination in the Second and Third-Trimester

Summary

This video will provide an overview of the fetal biometry and basic anatomy that should be visualized during a 2nd-trimester basic anatomical survey. Images of fetal and maternal anatomy are demonstrated using obstetrical models in the second and third trimesters of pregnancy. Real-time challenges and imaging tips are also provided.

Details

Learning Objective(s)

After watching this activity, you should be able to:

- Accurately acquire fetal measurements for correlation with gestational age;
- Assess the fetal and maternal anatomy that should be evaluated in a basic obstetrical sonogram; and
- Demonstrate the components of a biophysical profile.

Faculty: Charlotte Henningsen, MS, RT(R), RDMS, RVT, FSDMS, FAIUM; Pamela M. Foy, MS, RDMS, FSDMS; Olga Rasmussen, RDMS.

CME Information

Release Date: 12/1/2019

Expiration Date: 12/1/2022

AMA PRA Category 1 Credit(s)[™]

The American Institute of Ultrasound in Medicine (AIUM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AIUM designates this enduring material activity for a maximum of 0.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AIUM Ultrasound Practice Accreditation

This activity can be used to meet part of relevant AIUM Training Guidelines and/or maintenance credits for accreditation purposes. [Learn more about AIUM Ultrasound Practice Accreditation here.](#)

ARRT Category A Credit

The AIUM is a Recognized Continuing Education Evaluation Mechanism (RCEEM) for the American Registry of Radiologic Technologists (ARRT). The AIUM is the owner and sponsor of this activity. This activity is approved by the AIUM for ARRT Category A credit. This activity may be available in

multiple formats or from different sponsors. ARRT does not allow self-learning activities (eg, Internet courses, home study programs, directed readings) to be repeated for credit in the same biennium.

Additional Credit Information

- American Registry for Diagnostic Medical Sonography (ARDMS). The ARDMS accepts *AMA PRA Category 1 CME Credit™*.

Documenting CME Credits

All participants who pass the post-test have access to a CME certificate. The AIUM will submit credits to the ARDMS for active AIUM membership accounts with a valid ARDMS ID number. It is the participant's responsibility to ensure credit accuracy and adherence to any audit requests.

Disclosures

Disclosure Policy

In accordance with the ACCME's Standards for Commercial Support of Continuing Medical Education, all individuals in control of content must disclose any financial relationship(s) or other relationship(s) held within the past 12 months. The AIUM implements a mechanism to identify and resolve all conflicts of interest prior to delivering the educational activity to learners.

Disclosures for this Activity

- Darcy Bellido de Luna, no relevant financial relationships to disclose
