

Title: Fetal Abdominal and Thoracic Abnormalities: Features and Diagnosis

Learning Objectives

After completing this activity, the participant should be able to:

- Identify common thoracic and abdominal abnormalities that may present on prenatal sonography;
- Recognize sonographic features as well as differential diagnosis; and
- The subset of these lesions that may be amenable to intervention and how to make the appropriate pre-intervention evaluation.

Target Audience: Practitioners who perform ultrasound on fetuses.

Available Credit: 1 *AMA PRA Category 1 Credit*™/1 ARRT Category A credit. Upon completion of the learning activity, you will have 1 attempt to successfully pass the post-test with a score of at least 80% and claim your certificate.

CME Information

Release Date: 06/01/2020

Expiration Date: 06/01/2023

***AMA PRA Category 1 Credit(s)*™**

The American Institute of Ultrasound in Medicine (AIUM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The AIUM designates this enduring material activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AIUM Ultrasound Practice Accreditation

This activity can be used to meet part of relevant AIUM Training Guidelines and/or maintenance credits for accreditation purposes.

ARRT Category A Credit

The AIUM is a Recognized Continuing Education Evaluation Mechanism (RCEEM) for the American Registry of Radiologic Technologists (ARRT). The AIUM is the owner and sponsor of this activity. This activity is approved by the AIUM for ARRT Category A credit. This activity may be available in multiple formats or from different sponsors. ARRT does not allow self-learning activities (e.g., Internet courses, home study programs, directed readings) to be repeated for credit in the same biennium.

Additional Credit Information

- American Registry for Diagnostic Medical Sonography (ARDMS). The ARDMS accepts *AMA PRA Category 1 CME Credit™*

Documenting CME Credits

All participants who pass the post-test have access to a CME certificate through their CME Tracker. AIUM will submit credits to the ARDMS for active AIUM membership accounts with a valid ARDMS ID number. It is the participant's responsibility to ensure credit accuracy and adherence to any audit requests.

Disclosures**Disclosure Policy**

In accordance with the ACCME's Standards for Commercial Support of Continuing Medical Education, all individuals in control of content must disclose any financial relationship(s) or other relationship(s) held within the past 12 months. The AIUM implements a mechanism to identify and resolve all conflicts of interest prior to delivering the educational activity to learners.
