

NOVEMBER 4, 2020 | 1:00 PM–2:30 PM ET

# Dermatologic Ultrasound

Valuable Ultrasound Specialty Education & CME Opportunities!

Join the AIUM Dermatology Community leaders as they discuss the use of ultrasound in diagnosing and treating various skin conditions and tumors through a series of lectures, demonstrative cases, and a live Q&A session. Attendees can **earn up to 1.5 CME credits**, and all are welcome—regardless of your specialty!

## Learning Objectives

At the conclusion of the Dermatologic Ultrasound Lecture Series, attendees should be able to:

- Understand adjustments and settings for dermatologic ultrasound cases;
- Correlate sonographic semiology with therapeutics in skin inflammation; and
- Identify main sonographic features of common skin tumoral lesions.

## SCHEDULE

(All times are listed in Eastern Standard Time)

**1:00 pm–1:05 pm: Introduction—Dermatologic Ultrasound**  
Ximena Wortsman, MD, FAIUM (moderator)
