

DECEMBER 15, 2020 | 12:00 PM–3:00 PM ET

# Cardiovascular Ultrasound

Valuable Ultrasound Specialty Education & Networking Opportunities!

AIUM leaders from the Cardiovascular Ultrasound community will share their knowledge and expertise through in-depth image analyses and a thorough review of carotid and peripheral vascular ultrasound cases during this lecture series event. Attendees can **earn up to 2 CME credits** and will also have the opportunity to participate in an hour-long networking and question and answer session at the conclusion of the presentations.

## SCHEDULE

(All times are listed in Eastern Standard Time)

### Cardiovascular Learning Through Images

#### Learning Objectives:

- Understand the role of color Doppler in evaluation of complications of renal transplant;
- Determine the role of Doppler in native kidneys, besides renal artery stenosis; and
- Identify the vascular complications of liver transplant.

#### 12:00 pm–12:05 pm: Introduction

Margarita Revzin, MD, MS, FSRU, FAIUM (moderator)

#### 12:05 pm–12:20 pm: Liver Transplant—Vascular Dilemmas

Shweta Bhatt, MD

#### 12:20 pm–12:40 pm: Understanding the Color Doppler in Native Kidneys

Sheila Sheth, MD

#### 12:40 pm–1:00 pm: Renal Transplant Evaluation with Doppler

Shweta Bhatt, MD

### Carotid and Peripheral Vascular Ultrasound: Case-Based Review

#### Learning Objectives:

- Understand the key sonographic findings in carotid ultrasound;
- Recognize the most commonly used steno-occlusive criteria in peripheral arterial ultrasound; and
- Understand the main sonographic features of chronic and acute peripheral venous disease.

#### 1:00 pm–1:20 pm: Sonographic Assessment of the Peripheral Arterial Pathologies and Post-Interventional Changes: How Do I Handle Them

Margarita Revzin, MD, MS, FSRU, FAIUM

#### 1:20 pm–1:40 pm: Sonographic Assessment of the Peripheral Venous Pathologies and Post-Interventional Changes: How Do I Handle Them

John Pellerito, MD, FACR, FAIUM, FSRU

#### 1:40 pm–2:00 pm: Sonographic Assessment of the Carotid Artery Pathologies and Post-Interventional Changes: How Do I Handle Them

Joseph Polak, MD, MPH, FAIUM

### Networking and Question and Answer

#### 2:00 pm–3:00 pm: Networking and Question and Answer

Margarita Revzin, MD, MS, FSRU, FAIUM

## REGISTRATION FEES

**REGISTER TODAY!**

- **Members:** \$60
- **Nonmembers:** \$120—[Become a member today](#) to receive discounted registration on this and upcoming online lecture series sessions and hundreds of other educational opportunities in our new [Online Learning Center](#).

Note: This series is being offered as a live online event only. A recording will not be available.
