

DECEMBER 16, 2020 | 12:00 PM–1:30 PM ET

Interventional-Intraoperative Ultrasound

Valuable Ultrasound Specialty Education & CME Opportunities!

AIUM Interventional-Intraoperative Ultrasound Community leaders welcome practitioners interested in starting or perfecting the Musculoskeletal (MSK) ultrasound-guided procedures in their practices to register for this noon-day lecture series. Attendees **can earn up to 1.5 CME** credits and will also have the opportunity to participate in a question & answer session at the conclusion of the presentations.

LEARNING OBJECTIVES

At the conclusion of the Interventional-Intraoperative Ultrasound Lecture Series, attendees should be able to:

- Understand the approach of small joint injections;
- Explain the approach to hip interventions; and
- Identify the approach to shoulder interventions.

SCHEDULE

(All times are listed in Eastern Standard Time)
